## 2019 Annual Convention

### Student Travel Grants

Over the last two years MPA has accepted donations from MPA members to encourage students to participate in the annual convention. As a result, a dozen students were able to pay for their hotel rooms, travel, or meals.

#### Please note the following guidelines when requesting travel grants:

The number and amount of grants awarded will be determined by the amount of funds donated by MPA members. Travel Grants should be submitted by August 12, 2019.

This year's goal is to raise \$1,000, which will be used to distribute 10 – 15 travel grants. It is estimated that the grant award will be \$75. Students will be considered only if they are (1) current MPA members and (2) completed the registration process for the convention. Special consideration will be given to students who have submitted a proposal to this year's convention.

Applications must be submitted to [info@mpassoc.org](mailto:info@mpassoc.org) by 5:00 pm (CST) Monday, August 12, 2019.
