## NOW HIRING

### CLINICAL DIRECTOR - CARES CENTER

Canopy's CARES Center Clinical Director plans, organizes and implements the clinical programming to provide high fidelity and evidence based therapeutic services to youth in care and their families through a highly structured clinical model. The director develops and implements the clinical model which utilizes best practices and organization-wide initiatives that are driven by data and focused on continuous quality improvement. The clinical director oversees program policies and procedures and assure adherence to all of these within supervision scope in accordance with quality care and with all federal, state, and local laws and organization rules and regulations.

#### Required Qualifications:

- Minimum of a Master's degree in Social Work or related behavioral health field, Masters of Science in Nursing or a Doctoral degree in Psychology.
- Licensed Psychologist in Mississippi preferred or must be a Licensed Clinical Social Worker (LCSW), Licensed Psychiatric Mental Health Nurse Practitioner with a minimum of 5 years clinical experience working with youth in a mental health setting required.
- Must have experience with continuous quality improvement projects and clinical model development and demonstrate these prior to hire.
- Experience with regulatory and accreditation bodies such as Division of Medicaid and Joint Commission required.
